### Message from the Grand Knight

Aloha! I'm back from my old hometown, refreshed and jumping right back in. We have had quite a February. We had a very successful Father/Daughter Dance and Pancake Breakfast. I saw a lot of Brothers working up at Smokey

Pointe too. Thanks to all who worked so hard to make these events happen. Also, on going are also the countless Food Runs, and countless ministries at our Church. Thanks.

The month of March brings us a huge event. The Potato Bake is on Monday, March 15, 2010. We'll need everyone there to help. Get your tickets and sell some tickets. This is a big family event. I'll see you there!

A special event for us is coming up on March 31, 2010, K of C Fraternal Benefits Night, hosted by Brother Bob O'Neil. Come on out and listen, learn and update.

We still need to get some new brothers into our Council. Many of you are so quiet, but your actions shout out that you are a fine Catholic gentleman. Evangelize; tell the world how great our God is.

It is never too late, remember to update your membership by paying your dues. Be it the Fourth Degree or the Third Degree. We'll see you at the next meeting.

Vivat Jesus,  
Sir Knight, Gregory M. Lum,  
Grand Knight

### Message from our Field Agent and Fraternal Benefits

*Life Planning Workshop and Dinner*

*March 31, 2010 KofC Bothell Hall*

There's plenty of information in the marketplace regarding your future prosperity today, but it's confusing. And when we're confused, we procrastinate instead of plan. Worry instead of win. Reach roadblocks instead of goals.

The life planning workshop sponsored by the Knights of Columbus offers a better way. Quicker and easier; to take control; be prepared; get to where we all want to be. The workshop offers education, not get-rich-quick schemes; advice, not gimmicks; strategies, not sales pitches.

As a service and ministry of the Knights of Columbus, professionals (and members) of the local councils will conduct a workshop on Wednesday, March 31, 2010, from 7:00 ~ 9:00 p.m. (doors open at 6:45). We supply the expertise needed for an outstanding learning experience.

The heart of the workshop is a comprehensive presentation and easy-to-understand explanations of concepts that will be used for years to come. The presentation is designed to keep interest up and confusion down. Our goal is that each participant will leave the workshop with goals and a realistic road map for reaching their personal dreams.

You will learn how life insurance, retirement annuities, and long term care insurance work for you and your retirement in a simple and relaxed atmosphere. You will hear about trends in real estate, markets, and taxes that will help your future. You will hear options for estate and burial plans. Easily explained by Catholic experts that you know and trust.

The benefits to you are many. You will learn skills, goal-setting strategies, and tools for personal stability that will last a lifetime. The information is easy-to-understand, entertaining, and educational. Open to all Catholic men and their wives!
